Dear Southshore Falls Residents:

The Annual Membership Meeting is scheduled for 6:00 pm, Tuesday February 7th in the Seven Seas Grand Ballroom at the Wellspring Club. You should be in receipt of the notice of the meeting which was mailed to all owners of record. We hope to see many of you at the meeting! As we all have New Year's resolutions, I wanted to share a great little article that I thought was perfect for the lifestyle offered here for our residents!

Group Thin- Mingle away your middle: Mice living in a stimulating group setting lost about 50 percent of their belly fat in a month without any dietary changes, a study in Cell Metabolism reveals. Socializing activated a gene that turns energy-storing white fat into calorie-burning brown fat. Scientists suspect this applies to us, too!!

Maybe we are onto something with all the great fitness classes that are offered along with the many groups that allow residents to mingle and get to know their neighbors! I know I have enjoyed participating in the Walking Group on Friday mornings at 9am. It has allowed me some extra time to speak to residents outside of the office! I look forward to many more weeks while the weather is cooler!

Ongoing Friendly Reminders:

- Please pick up after your pets! This issue continues to be a hot topic and we appreciate all pet owners being diligent over this very important matter!
- Parking on the street is not permitted. Please utilize all spots in your driveway and garage. We recently had an incident where an emergency vehicle had a very difficult time maneuvering down a street in the community where vehicles were parked on the street.
- If you utilize the Shady Glen Trails for walking, please do not cut through individual lots to return to the street. Since the community has developed on either side of the Shady Glen Trails, it is important to respect those owners whose lots are adjacent to the trails. Please enter and exit Shady Glen Trails from the access points on Sunset Falls Drive.
- The next cycle of painting, pressure washing and preventive maintenance is underway. Please check [www.southshorefalls.org](http://www.southshorefalls.org) for updated scheduling information.

Warm Regards,

## Women's Club Elections Coming Soon

It is that time of year again to elect officers for the Southshore Falls Women's Club. If you interested in running contact Kathy Hicks at 746-1232 before January 31st. The election box will be located at the Wellspring Club all March. Please vote by placing your ballot in the ballot box, be sure to include your address on the envelope, one ballot per house hold. Our candidates will be introduced at the luncheon on February 15. The newly elected officials will be introduced at the April 18th luncheon.

For those that are new to the community, the Women's club is free to SSF residents. We meet the 3rd Wednesday each month for a luncheon. The luncheons are sponsored by residents that volunteer to put the event together for us to enjoy, using their creativity. The charge for the luncheons varies according to the particular event. If any profits are accrued, they're spent on something for our community to enjoy. Please don't hesitate to volunteer to help with a luncheon, run for an office; it's a great way to get to know your neighbors and develop new friendships.

OUR MISSION:  
A GROUP OF SOUTH SHORE FALLS WOMEN, DEDICATED TO  
LAUGHTER, FELLOWSHIP AND COMPASSION FOR ONE ANOTHER.

# Resident Spotlight

## Fred and Margaret Nance

Southshore Falls' Residents Fred and Margaret Nance have been enjoying their time here in the community. Recently The Nance's had the opportunity to explore their background and go venture out and see the sights. They explored their history through a Mediterranean and Aegean Sea Cruise on Oceania.

Fred and Margaret visited and explored on foot and by tour bus to the many countries of Greece, Sicily (where we saw Mt. Etna spewing smoke and ash), Amalfi Coast & Positano the most beautiful places of Italy, Sardinia, Tuscany, Pisa and finally Monte Carlo and Monaco. There they toured the Cathedral of Immaculate Conception where Princess Grace and Prince Rainier were married and viewed the Palace Square and magnificent residence of the current Prince Albert. The Grand Casino atop the mountain and the Grand Prix roads were completely unique and interesting. "Overall the trip was a wealth of history and beauty never to forget!" exclaimed Fred.

The Cruise ended in Rome where they had several wonderful days with Margaret's Roman family who lived a short walk, about a block away to the Coliseum and the ancient ruins. Fred and Margaret said "It is so amazing to see the remains of structures and churches built before and shortly after the birth of Christ. Some are still standing and in use. They were made so much stronger, larger and more beautifully detailed in design than anything built today."

Fred and Margaret enjoyed their time discovering all that the Mediterranean had to offer, there is no stopping them.

Many more to come!
